Totals	4	7	6	6	9	3	4	5

Total Valid Vettings : 44

- Notes :
- 1) Pending results (between brackets in GREEN)
 - 2) unsuccessful inspections (in RED)
 - 3) SHELL pointed out that, according to OCIMF advise, the reports start to lose their value after 6 months and it is therefore recommended that the vessels should be reinspected by an accredited organization.
 - 4) ERG: for vessels that are over 15 years old approvals are valid for 6 months only.
