Total Valid Vettings : 43

- Notes :
- 1) Pending results (between brackets in GREEN)
  - 2) SHELL pointed out that, according to OCIMF advise, the reports start to lose their value after 6 months and it is therefore recommended that the vessels should be reinspected by an accredited organization.
  - 3) ERG: for vessels that are over 15 years old approvals are valid for 6 months only.

Total Valid Vettings : 28

- Notes :
- 1) Pending results (between brackets in GREEN)
  - 2) SHELL pointed out that, according to OCIMF advise, the reports start to lose their value after 6 months and it is therefore recommended that the vessels should be reinspected by an accredited organization.
  - 3) ERG: for vessels that are over 15 years old approvals are valid for 6 months only.
